What was the group's learning objective for this tour? What activities supported this learning objective?

Please describe a highlight of your experience and what seemed to be the students' highlight.

Based on this tour experience is there anything you would change?

Additional tour comments (booking procedure; payments; safety concerns; student feedback; etc.)

This session we are testing a new way of submitting invoices and feedback. Should we keep this change or go back to the old system?

**Thank you for your feedback!**
