

Tour Payment Form - Kids on the Farm

TEACHER: It is your responsibility to bring this form, plus the students' \$7 participation fees, with you to the farm on the day of your tour. The Yukon Government Department of Education recommends the following levels of supervision on a field trip.

Kindergarten: 1 adult to 5 students
 Grades 1-3: 1 adult to 8 students
 Grades 4-6: 1 adult to 10 students

Grades 7-9: 1 adult to 13 students
 Grades 10-12: 1 adult to 15 students

The \$7 student fee is also applicable to all chaperones in excess of the Department of Education recommendations, or in excess to your group's particular needs. (In other words, the fee is not applicable to chaperones for special needs students.)
